Verse 1:

My morbid curiosity

Drew me to you

But you left me alone

In anguish and fear

Disillusioned fantasy

Comes crashing down

Please don't abandon me here

Chorus:

Save me, Save me

You are all I know

Save me, Save me

Once again all alone

Verse 2:

My god forsaking nightmare

Tears out my soul

This can't be my last farewell, oh no

Clawing through this anarchy

I must find you

Don't let me die in this hell

Chorus:

Save Me, Save Me

You are all I know

Save Me, Save Me

Once again all alone

Bridge:

Fire swirls around me

Ashes fall at my feet

Your promises now haunt me

But I won't stop searching

I still need you

We are left abandoned

Pain and death surround us

And in this world of sorrow

We all need a hero

Come and Save

Chorus:

Save Me, Save Me

You are all I know

Save Me, Save Me

Once again all alone

Save Me, Save Me

You are all I know

Save Me, Save Me

Once again all alone

Outro:

Save Me
