Verse 1:

This violent city fumes and rages
Molten wreckage fall like rain
Mournful howling tears right through
me
As this mighty beast is slain

The fragile wall I built around me
This sanctuary of my dreams
Disintegrates in hopeless grandeur
Rips my soul right from the seams

Chorus:

This life is fleeting
My heart in pain lies bleeding
But I can't give up, no
My Fate Is Survival

This world consumes me
My soul cries out so fiercely
But I can't let it go, no
My Fate Is Survival

Verse 2:

Enigmatic ghostly figure
Enters this atrocity
Seduces me to join the madness
Absolute insanity

He preys upon my desperation
Promises me total peace
I know his slyness and his cunning

Escape the trap in disbelief

Chorus:

This life is fleeting
My heart in pain lies bleeding
But I can't give up, no
My Fate Is Survival

This world consumes me
My soul cries out so fiercely
But I can't let it go, no
My Fate Is Survival

Bridge:

With every step
Make it a distant memory
Our last goodbye
Leave this all behind me now

These wasted years
Dying there in your arms
Must be reborn
And be the girl that got away

Chorus:

This life is fleeting
My heart in pain lies bleeding
But I can't give up, no
My Fate Is Survival

This world consumes me
My soul cries out so fiercely
But I can't let it go, no
My Fate Is Survival
