Verse 1:

These twisted memories are a
tragedy
This rage and pain all from you
"Can't get away" he says to me
"You are mine you know it's true"

Prechorus:

No

Chorus:

I was broken in my devotion
Fantasy is through
Not that girl now, built my own
world
There's No Room for You

Verse 2:

"Who is this girl you've become?"
His voice echoes in my head
"Be my queen you used to be
Or instead die alone"

Prechorus:

No

Chorus:

I was broken in my devotion
Fantasy is through
Not that girl now, built my own
world
There's No Room for You

Bridge:

Bled denial, I'm on fire
Stood in darkness, Total madness
Disillusioned, lies are proven
Get out, you're through
There's No Room For You

Chorus:

I was broken in my devotion
Fantasy is through
Not that girl now, built my own
world
There's No Room for You

Outro:

There's No Room for You
There's No Room for You
There's No Room for You
