## Verse 1:

Waking from the fog another  
nightmare  
Your cruel honesty is just an empty  
reward  
Please don't show me, don't want to  
see myself  
Hopeless destiny, I know I'm meant  
for something more  
Meant for something more

## Chorus:

Reflected sorrow  
Must live for tomorrow  
So torn & tattered  
The mirror must shatter

## Verse 2:

Judgment calling, can't deny just  
what you see  
Life collapsing down upon this cold  
reality  
One by one I watch as all the bars  
appear  
Trapped inside this gilded cage,  
where do I go from here?  
Do I go from here?

## Chorus:

Reflected sorrow  
Must live for tomorrow  
So torn & tattered  
The mirror must shatter

## Bridge:

Ah

## Chorus:

Reflected sorrow  
Must live for tomorrow  
So torn & tattered  
The mirror must shatter

Reflected sorrow  
Must live for tomorrow  
So torn & tattered  
The mirror must shatter  
The mirror must shatter.
