Verse 1:

I stand alone
I stand upon the rubble
I fought for love and for destiny

You think nothing can break you
But then you can't go on
You struggle harder to keep holding
on

Prechorus:

I kept on falling
But I got up one last time

Chorus:

I don't let go, I push through
I'm Invincible
I was in hell but I kept going
I'm Invincible

Verse 2:

The dust has settled
The battle a distant dream
A struggle built on all failed hopes
and dreams

Not sure I was able
But I somehow survived
Gave blood and body and was
crucified

Prechorus:

I kept on falling
But I got up one last time

Chorus:

I don't let go, I push through
I'm Invincible
I was in hell but I kept going
I'm Invincible

Can't stop me, I won't lose
I'm Invincible
I was in hell, but I kept going
Now I'm

Bridge:

Invincible
Come and get me
You can't break me
Try to take me down

Invincible
You can't break me
Try to take me down

Chorus:

I don't let go, I push through
I'm Invincible
I was in hell but I kept going
I'm Invincible

Can't stop me, I won't lose
I'm Invincible
I was in hell, but I kept going

INVINCIBLE

Now I'm

Bridge:

Invincible

Come and get me

You can't break me

Try to take me down

Invincible

You can't break me

Try to take me down
