She stays with him in love forever  
more

Now the face you see in the moon is  
her face always

Dio Solitario Della Notte

Re del cielo notturno

*(Italian)*

La stringa al suo cuore

Il volto della donna, è la Luna

E la Luna

Vive nel buio dietro la si la

Tutti lo temono, trama una donna

Lei giace su tetto e canta per lui

Si innamora la volga no suo mantello

La stringa al suo cuore

Il volto della donna, è la Luna

*(English):*

The Lonely God of Night

He is the king of the midnight sky

Lives in gloom behind the, the stars

Everyone fears him except one girl,  
she loves him

She lies on her roof, sings love to him

He falls in love too

He takes her in his cloak and makes  
love

He holds her to his heart forever
